Subject:- Report of the Committee appointed to go into the question of recruitment to B. S. E. Class I and Class II.

I refer to para No. 4 of the letter dated the 11th October 1951 from the Chairman of the Committee appointed to go into the question of recruitment to B. S. E. Class I and II. I am asked by the members of the Committee to recommend to Government an honorarium for the arduous work put in by Shri V. S. Agashe, a Clerk in the Gangapur Storage Division. The work of the report had to be done in addition to the normal duties and had to be handled mostly on holidays and Sunday as otherwise it was difficult for me and for Shri. Agashe to find time. Further as all the rest of the members and the Chairman of the Committee were stationed at Bombay, it was necessary for Shri. Agashe to do a large number of trips between Bombay and Nasik to his great personal inconvenience.

In appreciation of his work, I would suggest that Government may grant him an honorarium of Rs. 50/-.
